BIOGRAPHY

Branka Vuk Koračak works in CARNet mostly around projects which involve e-learing, including the E-learning Academy.

She graduated from the Faculty of Philosophy as a professor of Spanish and English, and will soon graduate as a professor or Portuguese as well.

Besides for working on e-learning projects, her experience in e-learning comprises of two three-month online courses "Designing Online Courses" and "Online Tutoring" which she took as a part of a CEENet project, and several e-learning workshops, namely "Managing E-learning in Higher Education" and "Facilitation of Online Learning".
